

## Commissioned Work

### Individual work with a child/young person

Before starting any work it is important that we undertake our assessment to ascertain the background information, support systems and relevant issues relating to the child/young person this will inform our judgement regarding the best methods of working with them to address their needs. The main part of the assessment takes place at the child's home/placement and includes the parents/carers and the child's views.

#### **An assessment for working with the child/young person** **£500**

After discussions with the referrer and the family we are then in a position to plan a programme of intervention.

#### **Individual sessions** **£100**

A 1 hour session has to allow time for preparation, research, write ups, phone calls, etc.

#### **Package 1: AIM under 12 Risk Assessment** **£3,000**

For boys and girls under 12 years displaying problematic sexualised behaviours

Assessing the risk of the child's sexually inappropriate behaviour both to themselves and others. Recommendation for a plan of treatment and behaviour management.

#### **Package 2: AIM 2 Assessment for Adolescent Males** **£3,000**

#### **Consultations for Professionals** **£50 per hour**

#### **Training** **£50 per hour per trainer** **plus expenses**

Tailored to your individual needs.

#### **Workshops for Young People** **£250**

Workshops concentrate on Keep Safe Work. Lasting 45 mins for children under 7 years (max 8 Children). 1 hour for over 7 years (max 10 Children), 2 facilitators provided.

### **In addition to all the above costs, there will be travel expenses if the work is not taking place in one of our centres.**

We are happy to discuss individual cases. Please complete a referral form and have it signed by the person authorising funding and in the case of individual work, also by the person this is requested for and the person with parental responsibility if appropriate. The project works with the multi – agency arena and with the cooperation of the child and its family.

Fresh Start – new beginnings do not take on case reasonability which will remain with the referring agency through the duration of any service provided.
